

WORK NOT WORRY

good financial health for employees

Problem

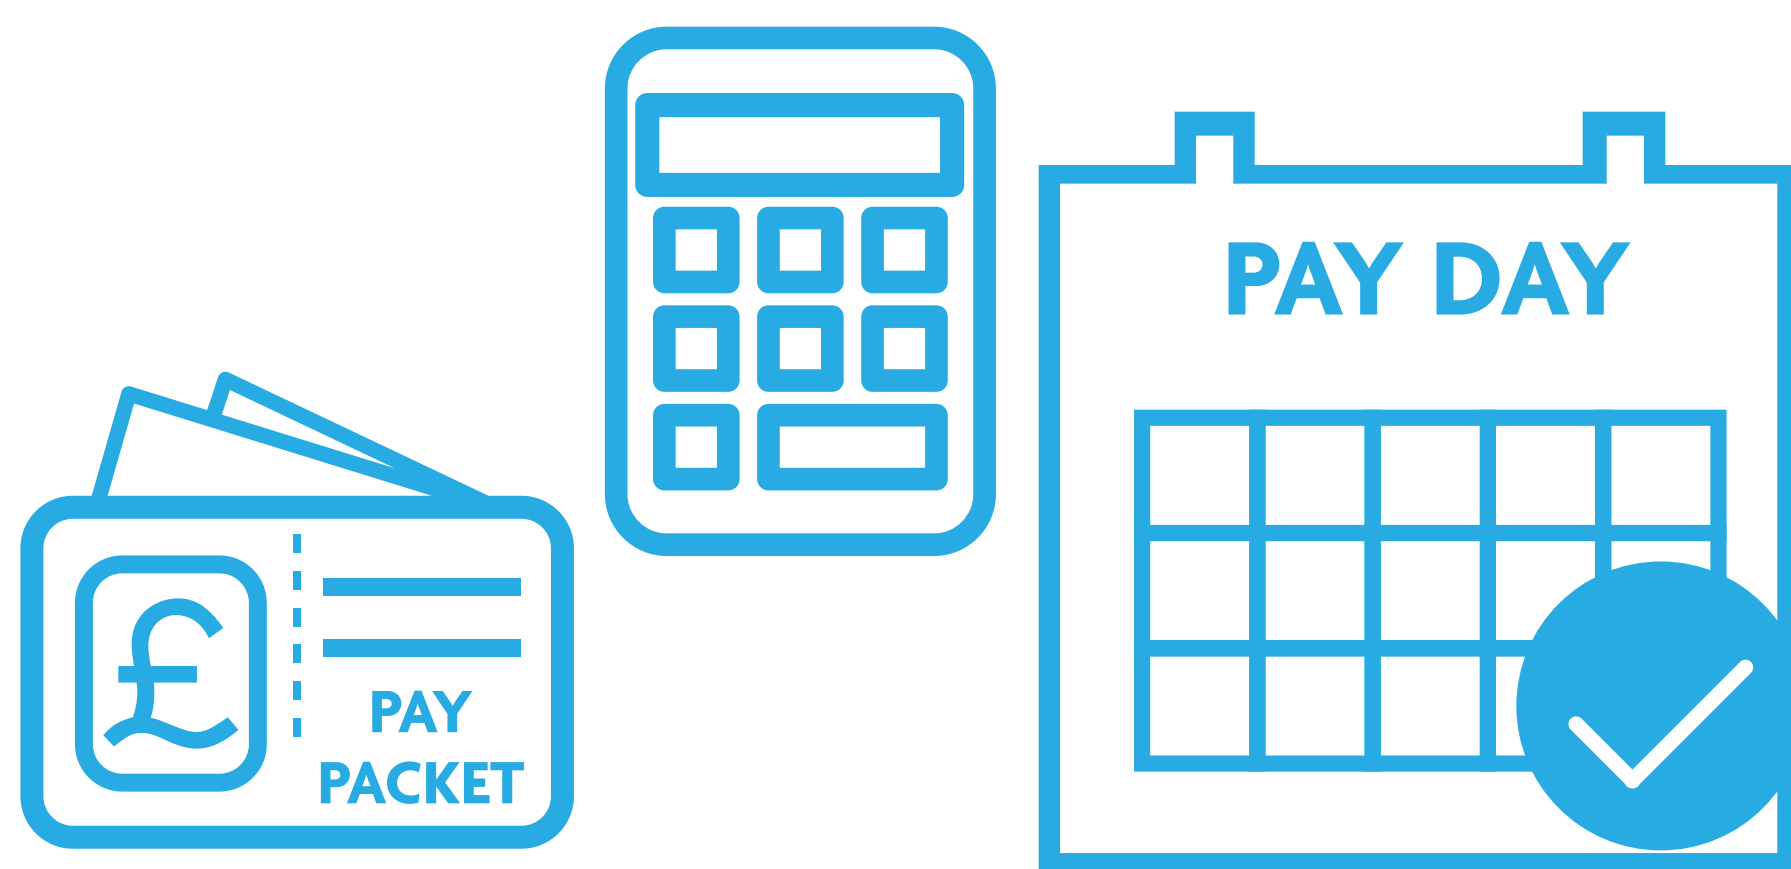

1 in 4 employees lose sleep over money worries

Solution

Credit unions offer **affordable loans** to everyone including people with a **poor credit history**

Partnership

Delivering **credit union services** to your staff is **simple** and costs **very little**

Outcome

Helping employees manage their money **reduces absenteeism** and **increases productivity**

“If you have anything that crops up you can take it out if you need it. It’s good in case of emergencies”
