

WORK NOT WORRY

good financial health for employees

Problem

59% of employees with **money worries** say they are **not working** at their best

Solution

Over **200,000** employees in Britain use **payroll deduction** to **save** and **borrow** with a **credit union**

Partnership

DEBT **SAVINGS**

Offering credit union services by **payroll deduction** helps your employees **reduce debt** and **increase savings**.

Outcome

Helping your employees manage their money **breeds loyalty** and helps you **retain your best people**

“It has educated me about my finances and how to manage my money”
